Foreword

The pathways through high school are unforgettable ones. We hope that in the course of this book we have showed a span of these pathways to the future upon which we all must travel.

Education is in itself a wide and heavily traveled pathway. There are many forks in this road—each one leading to some goal set by those who are traveling upon it.

Just as some roads are unimproved, so are some pathways to success equally unpaved. There are many rough and threatening sections. However, if the goal is kept in view, difficulties can be overcome, and the pathway will have served its purpose as a guide.

We are proud of our teachers who have led us on the way through high school. If it were not for them the way would have been hard indeed.

With these things in mind, we present you the 1968 EASTONER.

Dedication

We dedicate this EASTONER to Mr. Duncan Oliver in return for the priceless gifts of knowledge and inspiration he has bestowed upon us. It is our way of expressing our gratitude and our sincere appreciation for all that he has done as a teacher in Oliver Ames High School.

**ADMINISTRATION
AND
FACULTY**

Superintendent

MR. PHILIP M. HALLOWELL
Superintendent of Schools

Mr. Philip M. Hallowell, Superintendent of Schools for Easton, has provided the leadership necessary to meet the needs of a growing community. Emphasis on future planning has been kept in the foreground so that adequate classroom space and teaching facilities are always available.

This work has been done in the face of a growing tax rate and a time when the taxpayer wants, more than ever before, to know why. To provide these answers is not an easy task and is a constant source of concern for one so interested in the needs of the students.

Mr. Hallowell's dedication to duty and his sincerity is evident to all.

MR. JOHN FARRINGTON
Administrative Assistant to the Superintendent

Principal

MR. JULIAN PREUSS
Principal

To administer the needs of a High School such as Oliver Ames is no small task. It takes more than the forty-hour week that most working people enjoy.

Mr. Julian Preuss, Principal of the Oliver Ames High School, has more than met the requirements of a good administrator. This can be seen in a visit to the school. Friendly and sincere, he makes one feel at home.

Glancing around the school, one cannot help but notice the orderliness and efficiency with which the school operates.

These are marks of good leadership.

MR. CLYDE CRAIG

School Committee

Seated: Mrs. Marilyn E. Copeland, Mr. Norman A. Anderson, Chairman; Dr. Barbara H. Gray; Standing: Mr. Leo D. McEvoy, Dr. Goodwill M. Stewart.

In the year 1868—exactly 100 years ago—the Easton school Committee, by direction of the town, organized and put into operation the first high school in Easton.

As a member of the Class of 1968, you are graduating in an historic year—the year in which your school celebrates its 100th anniversary. You represent the finished product of our Easton public school system, and we on the School Committee are confident that you will go forward to realize your own ambitions and to fulfill the expectations of your parents and teachers.

Set your sights high on worthy goals, so that in the years to come, your endeavors will truly reflect this century of educational progress in Easton.

Guidance Counselor

The primary objective of the Guidance Department is to aid each student in becoming a mature individual and in combining his talents, traits, and interests into a cohesive energy-giving whole, through the use of the best available objective and subjective aids. Our aim is to provide a noncritical atmosphere that will encourage self-exploration, and we shall offer various kinds of information and clarifications to aid him in coordinating his educational, vocational, and personal objectives. We strive to develop stability, identity, and confidence so that the student does not require supportive relationships from us or any other single source. This is the nucleus of our program which all other objectives support and stimulate.

It is with great pride and pleasure that the Oliver Ames High School Class of 1968 records its class history.

We entered Oliver Ames High School as freshmen in the fall of 1964, and held our first class meeting on September 24. The officers were Barry Smith, president, Stephen Sundell, vice-president, Susan Anderson, secretary, and Deborah Darling, treasurer, and we were introduced to our advisor, Mrs. Veronica Carter. At this time we voted on our banner which was in our class colors of red and white and bore our class motto, "He who does not move forward falls behind". The most exciting event of our freshman year was our memorable social, "Night on the Town", which was held on April 9, 1965.

In the fall of 1965 we returned to Oliver Ames as sophomores, and we looked forward to the year with anticipation. Our class officers for the year were Barry Smith, president, Bernard Mallory, vice-president, Susan Anderson, secretary, and Patricia Boynton, treasurer. We really felt like complete members of the school in January when we received our class rings. Our beautifully decorated Sophomore Social was held on February 12, 1966, to the theme of "Winter Wonderland", which was a tremendous success. We also held a fashion show in March that was one of the biggest successes of the year.

As we began our junior year, we could feel the thrill of becoming upperclassmen. Our officers remained the same, and we were well represented on the Student Council with Richard Lyons serving as vice-president. We decorated for our social on November 18, 1966, with pop-art figures for the theme "Abstract-'68", which was a big success. We also sponsored record hops, cake sales, a car wash, and a bottle drive.

In January we began making plans with the seniors for the Prom. A beautiful night coupled with the warm atmosphere of the Blue Hill Country Club made an evening which we will never forget. At the end of the year we were represented at Girls' State by Susan Anderson, whose alternate was Laurie Stewart, and at Boys' State by Barry Smith, whose alternate was Shawn Worster. We fulfilled our duties as juniors by decorating the gym for the Senior Reception. The usherettes were Linda Styren, Susan Anderson, Denise Dostoomian, Patricia Boynton, Janice McCarthy, Jane Miller, Karen Lewis, Mary Guest, Carol Maynard, and Patricia Healey. The ushers were Barry Smith, Bernard Mallory, Stephen Sundell, Chester Rodenbush, Albert Fleury, Wayne Casey, Richard Meehan, John Preble, Richard Sullivan, and Edward Lindelof.

History

The excitement of being seniors began right away on our first day of school in September, 1967. We had the same officers and Mrs. Carter remained as our advisor. We were represented on the Student Council by Shawn Worster, president, Marjorie Toomey, secretary, Chester Macmillan, treasurer, and Carol Harkins, Stephen Sundell, Philip O'Connell, and Patricia Farrell. We held our Senior Social on a brisk fall evening in October, and this, our last social, was a grand success. An exciting event in the fall was our Class Play, "A Majority of One", held in November. We were very proud of this fine production directed by Miss Sandra Wheat, and give our thanks to the cast and crew.

The Class of 1968 took part in all school activities, and undertook great responsibilities as leaders of the different organizations. Seniors Jane Miller and Patricia Healey co-captained the field hockey team to another Hockomock League championship; Gregory Chapman and Albert Fleury led the football team through a winning season. At the head of the boys' basketball team were Stephen Sundell and Wayne Casey, and Jane Miller and Mary Guest led the girls' team. Janice McCarthy led the cheerleaders with seniors Denise Dostoomian, Carol Maynard, Karen Lewis, Madelaine Rodenbush, Linda Styren, and Martha Cushing. Our baseball team was headed by Richard Meehan and Stephen Sundell, and the girls' softball team was led by Jane Miller and Patricia Healey. The recipient of the D.A.R. Good Citizenship Award was Patricia Boynton, and Barry Smith represented us on Student Government Day at the State House.

On April 16, 1968, our Junior-Senior prom was held in the grandeur of the King Philip Ballroom. An evening of excellent dining and dancing was enjoyed by all.

In June we attended our last classes as the long-awaited Senior week finally arrived. With happiness and a little bit of regret we took part in Baccalaureate, our Class Trip, Class Day Exercises, Graduation, and finally our Senior Reception, when we said our good-byes to friends and teachers, and looked to a future full of high aspirations and dreams.

UNDERCLASSMEN

Class of 1969

Seated: Scott Miller, Kenneth Lameiras, Standing: Ellen Magner, Joanne Smith.

The Class of 1969 entered its Junior year with the following officers: Scott Miller, President; Kenneth Lameiras, Vice President; Ellen Magner, Secretary; Joanne Smith, Treasurer.

We started the year with a car wash on October 21st. Because it proved to be successful the class held another in the spring.

The Junior Social, entitled "Dreams of December", was held on December 9th with all the members of the class participating; the class spirit prevailed and the night was one to be remembered.

Throughout the year, the class strove to make our

bottle drive, cake sale, and our Saturday night dances successful.

Now ideas such as the Roller Skating Party in the gym and the selling of sweat shirts were brought up. They both proved to be worth while experiences.

For the first time we took part in preparing for the Prom. Proudly we worked with the Seniors making the event successful.

With the help of Miss Rivard, our Junior year proved to be financially and socially advantageous.

The Student Council again this year has had a very active year under the leadership of President, Shawn Worster; Vice President, Donna Andrews; Secretary, Marjorie Toomey; and Treasurer, Chester MacMillan. With four members of each class on the council each class was well represented.

Money raised last year for a Peace Corps school has been used for a school on the island of Namouk in Micronesia in the Pacific. The Thanks With Giving Drive held in November was again successful. Membership in the Massachusetts Association of Student Coun-

cils was renewed. Sweatshirts and jackets were sold to the student body. Both major and minor school problems have been discussed at meetings with action taken on most of them.

In January the council conducted Variety for Vietnam Day which raised four hundred dollars. The money went for articles that were sent to the men of Easton in Vietnam.

We would like to thank the student body for their cooperation and participation and Mrs. Varella for her help and guidance during the year.

Criticising, poking fun, keeping the Oliver Ames population informed-this is what the Olivian staff does. It was a shaky beginning; we were all a little scared, but from the moment that first issue "rolled off the press" we knew we were on our way.

With the help of our advisor, Miss Zimmet, we developed a format featuring interviews, cartoons, personal columns, and, of course, campus news. The graduation issue, exemplifying our first year of a sure growth, was our special pride.

During the past year, the Oliver Ames Chapter of the National Honor Society has become an active organization in the school. In December, the Society held a Christmas tea for the faculty, as has been done in the past. On March 6, 1968, a ceremony led by the Society's members, inducted twenty-seven new members. A very inspiring message was delivered at that time by Dr. Vincent P. Wright, Dean of Faculty, Southeastern Massachusetts Technical Institute. Following the ceremony, a reception was held for the members and

their parents. During the year we made many plans to attend various activities in the Boston area, and our annual outing was held in June.

The officers for the year were: President, Barry Smith; Vice-President, Donna Delaney; Secretary, Susan Anderson; and Treasurer, Kathleen Hurley. The National Honor Society wishes to thank Miss Healey, our advisor, and Mrs. Andrus, our temporary advisor, for their help and guidance this past year.

The members were responsible in helping to process books and other library materials, from unpacking the cases to complete readiness for circulation. They did all the daily routine duties, bulletin boards and

special exhibits, often taking charge of the library when Mrs. Andrus was not present.

The library staff wishes to thank Mrs. Andrus for her excellent supervision. She has helped to make our membership both rewarding and enjoyable with several parties and a cookout.

Oliver Ames had another successful winning season this year with a 5,4 record.

Our first game was away with last years Thanksgiving Day rival Dighton-Rehoboth and we emerged victorious by ten points with a score of Oliver Ames 26, Dighton-Rehoboth 16. This started the season in a great way and began our winning streak.

Ready for our second game, Somerset, the game was postponed because of foul weather but we played away the following Monday. It was all to our advantage and we romped them with a 22-6 score despite a number of injuries.

Mansfield was our next opponent. Again the game was away and again Oliver Ames proved supreme by beating tough opposition in our most satisfying victory, 14-8.

King Philip was our first home game and O.A. proved it plays a great game here too. It was a spectacular win by Oliver Ames with 34 points and King Philip 8.

Wareham was our second home game but it just wasn't our day. It was an upset with Wareham 21, Oliver Ames 0. The team tried its best but fate was against us. For the Franklin game we traveled to their territory; but that couldn't stop the Tigers. We redeemed our previous loss that day with a win by eight

points; O. A. 14, Franklin 6. We journeyed to Canton on November 4, but it seems bad weather brought bad luck. It was a close game with O.A. 8, Canton 16. Foxboro was our toughest game and again the Tigers played well and showed their strength.

The final game was Thanksgiving Day when we met Newton South, a class B team. But in the true spirit Oliver Ames fought a larger school with all it had to the last. The final score was O.A. 8, Newton South 27.

As the coaches said at the rally, "This is one of the finest teams in the league, if not the state." The team played very tough opposition and favored well, tying with Canton for second place in the Hockomock League.

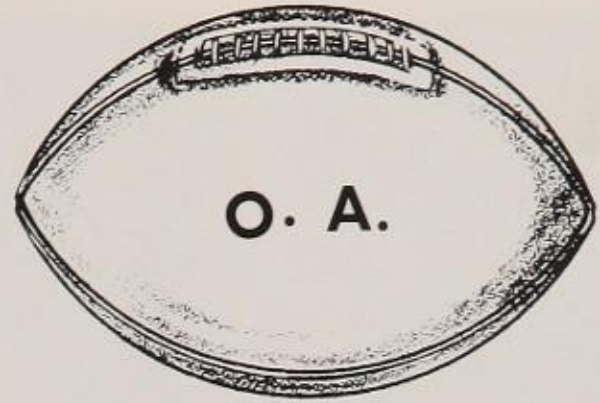

Led by senior co-captains Al Fleury and Greg Chapman the team worked well together and always kept spirits high. The senior roster was: Wayne Casey, John Preble, David Hayes, Stephen Sundell, Richard Sullivan, Barry Smith, Tom Lynch, Bob Norman, Chester Rodenbush, Chris McGarry, Bill Howard, and Bernie Mallory.

The team and the school wish to thank Coach Muscato, and coaches Nixon, Lemish, and Forbush for their leadership. We know they suffered both good and bad as we did.

This has been the third year Oliver Ames has had a Cross Country team and the most successful year so far. The team is under the coaching of Mr. Hughes and each season is continually better than the last. This season with Elmer Harlow as captain brought two wins. King Philip and Franklin. The Junior Varsity took second place in the Hockomock League.

For the second year in a row, the Oliver Ames field hockey team captured the Hockomock League Championship and finished undefeated with nine wins and one tie. Hard work, determination, and team spirit carried the team to its ultimate goal of victory.

The first official game, a 4-1 victory over King Philip, set the stage for the game of the year. In a hard fought game, the determination and spirit of the O.A. girls was displayed with a 2-1 victory over Foxboro, the winning goal coming with one minute remaining.

Seniors on the Varsity are: Patricia Healey and Jane Miller, co-captains; Patricia Boynton, Mary Guest, and

Eleanor St. George. Juniors: Nancy Bye, Paula Kenney, Beth Kent, Charlotte Klahn, Sally Malinosky, Jill Marvill, Mary Beth Nolan, and Debbi Porter. Sophomores: Claire St. George and Karen Willis. The Junior Varsity also enjoyed a fine season with four wins, one loss and two ties.

The team would like to express its sincere thanks to Miss Rivard and Miss Ferrandino for their patience, time, and effort. We would also like to thank our managers: Marjorie Toomey, Nancy McEntee, and Elizabeth Tarala.

This was another successful year for the Oliver Ames basketball team.

Our first game was with Somerset on home court, starting off the season with a victory, 62-50.

Oliver Ames beat Wareham by 9 points with a score of 58-49 for our second game on our court.

Dartmouth was our third home game and first loss. Despite our fine playing in the fourth quarter Dartmouth maintained their lead and beat us by one point, 74-73.

Franklin, at Franklin was one of the year's best victories, 58-39.

Sharon was next on the agenda January 9, 1968 with Oliver Ames beating our arch rival 60-54.

Stoughton gave us a slight upset despite the half time score of 44-36 for Oliver Ames but the final score was O.A. 73, Stoughton 82.

The next games, Foxboro and Mansfield, both

brought victories. Canton was away but we still emerged victorious 79-43 and Franklin 80-48.

Sharon evened the score at our second game by beating us 59-56; but in the following game Oliver Ames did the same to Stoughton with a victory of 57-50 despite their lead in the first and second quarters.

With our loss to Mansfield February 13, the League Championship went, but Oliver Ames rallied and won the remainder of their games to enter the Tech Tourney against Abington March 5.

This year's team was led by Co-Captains Steve Sundell and Wayne Casey with a senior roster of: Wayne Casey, Stephen Sundell, John Preble, Richie Meehan, Barry Smith, Greg Chapman, Gerry Samuelson, Ken Gorham, Chet Rodenbush, Richard Sullivan, and Bernard Mallory.

The school and team wish to thank Coaches Muscato and Nixon for all they have done.
